ABOUT US

E-Logistics Solutions Limited is a locally incorporated company which has an established network to provide efficient, prompt and reliable transport services at affordable cost. We pride ourselves in qualified and well-informed staff members who individually handle every consignment, thus ensuring that clients get personalized attention. We aspire to develop high competency and adhere zero error in service through dedication, commitment, teamwork and be synonymous with quality services. We strive to build a working bond that ensures clients get served. In order to meet our customers' needs E-Logistics Solutions Limited has invested in, and values technology as an integral part of efficiency improvement.

We are ISO 9001:2015 certified, which is An Internationally recognized Quality Management System certification based on a number of quality management principles to ensure our products and services consistently meet customer's requirements, including strong customer focus, motivation & support of top management, continuous improvement, and the effective management of risks and opportunities.

Over the past decade, we have achieved a track record of successfully executing last-mile delivery of healthcare commodities throughout various regions in Kenya which is inline with the National Government Agenda of Universal Healthcare Coverage.
